## **Attendance**

Please can you ensure you contact Carly on her mobile to let her know if your child/ren are not attending MACS. This saves us having to follow our missing child policy to ascertain their whereabouts and possibly contacting the police.

## **Lost Property**

We have property left behind on a weekly basis and always try to return to its rightful owner, however you can help us by making sure your child/rens name(s) are on **everything**.

## **Keeping Your Children Safe**

At MACS we have our door bell so we can monitor who is arriving at the hall and speak to any unknown collectors. Please help us ensure we keep all children safe by ensuring the door is **firmly** closed behind you as you leave and also informing MACS if someone else is collecting your child.

## **Swimming**

Swimming has begun again this term on Mondays, and as we have so many children wishing to attend, we have split them into two groups. Calendars have been given to parents for dates their child can attend until the end of term.

If your child:

will be turning 8 years old before the start of summer holidays

can swim 2 lengths unaided

has a valid all access card

Please speak to Carly who will give you details and issue you with a permission form.

## **Waiting List**

Currently all the spaces available for the new school year starting in August 2017 have been offered out. If you haven't been offered days you've requested then please speak to Carly who can tell you where you are on waiting list. Any change in circumstances, days no longer required or additional days required then please speak to Carly. Please note if you are cancelling any care then we require this in writing and there is a 4-week notice period. If you would like to request additional days then please speak to Carly and complete a parent enquiry form on our website [www.macs.uk.com](http://www.macs.uk.com)
